

intermountain cactus

2020 price list

Celebrating over 45 years selling winter hardy cactus, agaves and yuccas

Some of our newer varieties and enduring favorites include:

Opuntias (Prickly Pears) with different colored flowers and unusual spines

Echinocereus (barrel cactus); and cactus from South America, specifically from Patagonia in Argentina

Agave Utahensis Var. Eborispina with its white spines and **Agave Havardiana** with its blue leaves.

Yucca Harrimaniae and **Yucca Nana** are two dwarf varieties we specialize growing

Joshua Trees may be limited so please inquire before ordering

We accept Visa, Mastercard, Discover Card, and American Express. PLEASE NOTE OUR EMAIL ADDRESS: Intermtcactus@xmission.com. Our website is: www.intermountaincactus.com.

We also welcome trades and visitors are welcome to our garden, just call to arrange your visit.
